Dear Parents and Carers

## **World War 2 Day "Home Front Experience" for Year 6 Wednesday 28th February**

During terms 3 and 4, as part of their topic, Y6 will be studying World War II. We have arranged for the children to take part in a 'Home Front Experience'. The workshop will take place at school and during the day the children will experience role play, drama and handle numerous genuine artefacts. The cost of this workshop will be £4.75 per child.

On this day children are asked to come dressed in costume reflective of the era to make the learning more authentic. We do not want this to be a costly exercise so here are some ideas of clothes you may already have or could borrow. Hopefully giving advance notice will allow plenty of time to organise costumes over the half term break – you can find some [ideas here](#). Children will have a normal lunchtime.

Please complete the information below (handwrite a note if unable to print) and return to the school office with the monies in a sealed, named envelope.
