

## English

### Non-Fiction :

Year I will be writing instructions on how to make their very own 'Pet Scrubbing Brush'. Just like the one in the Traction Man.

### Fiction

The children will be fully fledged authors and will write their own story about a toy defeating a monster.

### RWI

The children will continue to learn phonics through the Read, Write Inc scheme.

## Science

In term 1 we will be identifying materials in our environment and learning about Autumn. We will be using the school grounds and forest school to explore seasonal changes.

## Maths

As with all ARK schools, we follow the Maths Mastery programme. We will be covering units that focus on number skills and shape and patterns. The children will be learning about the number system including doubling and halving, comparing numbers and adding and subtracting. Within the shape unit, they will be recognizing common 2D and 3D shapes and describing position, direction and movement.

## Class: Year 1

## Term: 1

## Topic

Our topic this term is 'Toys, Toys Everywhere'. This will include looking at the history of toys and learning about toys from around the world.

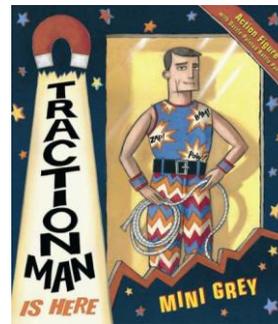

## P.E.

P.E this term will be on Wednesday and Friday.

Both sessions will be outdoors (weather permitting). We will be focusing on ball skills and team games.

Please ensure kit is in school on these days.

## Enrichment Text

We will be looking at the book 'Traction Man' this term and linking it to our topic and DT work.

## Excursion

Our trip this term will be to Fairlight Hall for the 'Field to Fork' event which introduces them to different aspects of country life. Further details to be sent out nearer the time.

## Art/DT

The children will be using a range of materials to design and create a toy.

## Homework

Homework will be sent out on a Friday. Your child will receive a folder with a home learning book. The task will already be stuck in the book. This will usually consist of spellings and one other curriculum linked activity.

Please can the home learning books be returned by Wednesday of the following week. This allows time for your child's home learning to be marked and the new task to be stuck in.
