

English

Fiction

Fiction Focus: Warning Tale

The Great Kapok Tree by Lynne Cherry- a warning tale with a powerful message about conservation.

Non-fiction

Letters and persuasive texts

Poetry

Various poems for earth day.

Science

Food and Movement- in humans and animals

Year: 3

Term: Spring 2

Maths

Telling the time! This is a hard topic and so students will benefit from lots of practice at home. We will study reading analogue clocks, digital time, timetables, and measuring time for events.

After that we will start a new unit on fractions.

Topic

South America (Geography)
We'll be looking at the human and physical geography of South American countries

P.E.

P.E this term will be swimming on Wednesdays (Kingston) and then at school on Thursday and Friday.

Sessions will be outdoors (weather permitting).

Please ensure kit is in school on these days.

Excursions / Enrichment/Other

Trip to RSPCA Mallydams- supporting our science topic.

Homework

Spellings, reading, and other work, which might be maths, English, topic work or a creative task.

Homework is sent every Friday and collected the following Wednesday.

Art/DT

In DT we will be designing our own chocolate bars!
