

English

In English our focus text is 'Wolf Brother' which is written by Michelle Paver. The story takes place 6001 years ago during the New Stone Age and tells the story of twelve-year old Torak, a boy of the wolf clan, who journeys to defeat evil.

Fiction

Using this text, we are working towards writing a spine poem.

Non-Fiction:

We will be using the story 'Wolf Brother' to help us write an instructional text and a persuasive letter.

Science

We will be continuing with our life cycle topic in Science before looking at properties of materials. Children will compare and group together everyday materials on the basis of their properties, including their hardness, solubility, transparency, response to magnets and electrical and thermal conductivity.
