

English

In English our focus text is 'Journey to The River Sea' which is written by Eva Ibbotson. This is a fiction story based in the Amazon Jungle.

Fiction

Using this text, we are working towards writing the opening chapter of a story.

Non-Fiction:

We will be using the knowledge that we gain from reading 'Journey to The River Sea' to help us write an information page all about the Amazon.

Science

Our topic in Science this term is Life cycles. In this unit children will learn that plants and animals have life cycles and that reproduction is a part of this cycle. They will recognise that each life cycle has distinct stages but that these can vary between species

Maths

For Term 3 we will be focusing on fractions, decimals and percentages.

Please continue to encourage your children to practice their times tables as this will support them with this.

Class: Leeds and Aston **Term 3**

Topic

This term, we are learning all about the Amazon Rainforest.

Children will use geographical skills to locate different rainforest and study the climate, environment and wildlife in these areas

P.E.

P.E this term will be held on a Wednesday afternoon and will be led by a PE specialist from William Parker School. This will be a longer session than normal. Please ensure your children have their PE kit in school.

Jumpers should now be worn.

Enrichment/Other

We are hoping to secure a visit from 'Jaws and Claws' this term to give children hands on experience of handling a range of different exotic creatures.

Homework

Thank you for your continued support with homework. Homework will continue to be issued on a Friday. However, we will not be expecting homework to be handed in until the following Thursday. This will allow those children who attend homework club (on a Wednesday evening) to be able to complete it in time.

Music

Children will be using the 'Charanga' music programme to look at modern rock and pop music.
