

# Ark Little Ridge Primary Academy

16<sup>th</sup> January 2019

Dear Parents and Carers

## **YR visit to Herstmonceux Science Centre – Monday 11<sup>th</sup> February**

We are excited to be taking the children to the Herstmonceux Science Centre on Monday 11<sup>th</sup> February as part of our theme 'Out of this World'. This will be a lovely opportunity to really enhance their learning in many areas of the curriculum as well as being a thoroughly enjoyable day.

In order to facilitate this happening, we are asking for a contribution of £11 per child, to cover the cost of entrance to the Science Centre and coach travel. We do rely on parent contributions to enable us to provide activities such as this and, in the event that there is a shortfall of monies by the requested date, we would have to cancel the activity. If any parents have difficulty in making payments, please speak to the school office or class teacher in confidence.

To make a payment and confirm your child's place and lunch arrangements, please go to ParentPay – other items – YR Herstmonceux. Places and payment will need to be confirmed by Friday 1<sup>st</sup> February.

For the day, we would ask that all children wear their school uniforms with comfortable footwear and a warm coat. Children will need packed lunches so please indicate on the slip below if you would like the school to provide one. We aim to leave school just after morning registration and return by the end of school day. Collection time will be as normal and from the classrooms.

Many Thanks,  
Mrs Rose, Mrs Sharrod and Mrs Crovetto  
Surrey and Canterbury Class Teachers
