YR Health and Development Reviews

The East Sussex School Health Service is offering parents/carers of all children in Reception year a health and development review. The health and development reviews will enable the School Health Service to identify needs, so early intervention can be offered, preventing any problems from developing further. A letter has been emailed to parents of EYFS pupils this week. If you did not receive the email, please ask at the school office for a paper copy.

The reviews are completed online via the HAPI portal. The portal will be open from now until the end of April 2018. Keep an eye open for a flyer containing the link to the portal and the password which will be sent home via your child's book bag. Any queries, you can contact the nursing team on Telephone Number: 03001234062 or Email: kentcft.esschoolhealthservice@nhs.net
