## School trips and activities

**There are several year group activities coming up in the next few months. Do check your emails sent home through Scholarpack. Just in case you miss anything, we do have a running calendar at the end of each newsletter with a link to information sent home! A reminder also, that we don't expect parents and carers to print out the reply slips on the letters; handwritten responses, enclosed with the payments in a sealed, named envelope are fine.**

## Little Ridge Surgery

We have been contacted by Little Ridge Surgery asking that parents/carers do not use their surgery car park at school drop off and collection times. Medical staff and disabled patients have been unable to access the car park and this has caused considerable disruption

## Please park considerately

Once again we have been contacted by a local resident who reports cars constantly parking on pavements / grass verges and blocking residents drive ways on Hare Way. They report that the grass verges on Hare Way have been badly damaged from parents parking on them every day when collecting their children. Can we once again ask our families to be considerate of the local neighborhood and take care to park sensibly and safely. Thank you for your support.

## Term dates

[Term dates for next academic year, 2018 – 19](#) have now been published. Please be aware, however, that the **INSET days have yet to be confirmed**. We will publish these as soon as we receive them.
