## Super STEAM Sculpture

The Jerwood Gallery's STEAM project has now come to an end. During their last session, the children had an opportunity to design and build their own sculpture using wood, nails and items they had collected from the beach.

*'We were told that our model had to be small enough to fit through the gallery doors, so first of all, we had to measure the doorframe. At first, we decided to make a seagull but it didn't quite work out, so we turned it into a boat. We thought it looked like a sinking boat'.*

It is now proudly displayed at Ark Little Ridge.

## Arrival at School

We are experiencing children coming to school very early in the mornings. Please can we remind parents/carers that the school gates will be open by 8.45 am. Before this time there is NO supervision for children on site so we ask that children are not on site before this time. Our Breakfast Club is available for those who need childcare before 8.45 pm – please see office for further information.

## Fidget cubes and spinners

A craze has started in school with fidget cubes and spinners. Unfortunately, this has led to lots of arguments between children over ownership. Please note that NO toys should be brought into school including these cubes and spinners. We thank you for your support with this.

## Parent Staff Association (PSA) Annual General Meeting

Parents and carers are warmly invited to attend our AGM which is taking place in the lower hall on Wednesday 17<sup>th</sup> May. This is a great opportunity to find out what your PSA does to support the school and find out how you could help; Do come along if you can!
