Communication between home and school is very important to us. Thank you to everyone who has already completed our survey; if you have not done so yet, there is still time. [Take the survey here](#). Thank you for your support.

Road Safety

Regrettably we are still without a 'Lollipop Man' outside the school. We've been told that some children think that the dropped kerb area outside the school in Little Ridge Avenue is a protected crossing place, though it isn't and so drivers aren't obliged to stop and let people cross. Therefore if your child crosses this road without an adult it would be helpful to speak with them about the importance of road safety when crossing. It is also of particular importance to remind car drivers to **please** park safely, ensuring it is safe for pedestrians to see the road!

Y5 Victorian Roadshow

Our Y5 pupils have been learning about the Victorians. Ian Roberts from 'The History Roadshow' came into school to run activities for the children to give them a taste of what life was like for children in Victorian days. From the moment children arrived in school, they stepped back in time to the life of a Victorian school child, taking part in classroom drills and learning about sanctions for misbehaviour. Children also had the opportunity to sample various occupations and household tasks. They were also able to make and taste food from the Victorian

era. [Take a look](#) at some photos from the day!

~ Mon 26th November - INSET day ~

Last Saturday, Little Ridge played in The Lindsay Cup (formerly the Sandown Cup). Of our three group games, we won one and lost two, missing out on a quarter final spot by only one point. Mr Johnstone said, ***'The team had a great morning and played some fantastic football scoring two goals'***.
